Financial status is an important factor in determining your eligibility for enrollment to Cal Maritime. Because financial aid and scholarships are not available to international students, it is vital that international students can show the ability to (1) pay their educational expenses or (2) have their expenses paid for by a sponsor. International students must demonstrate the ability to pay all educational expenses including books, room and board, or approximately \$140,000 to \$160,000 in U.S. currency to cover attending Cal Maritime for a four-year period.

The Affidavit of Financial Support attached must be filled out completely and a bank verification from you or your sponsor's bank verifying funding must be submitted. Please note that financial sources must be stated in U.S. dollars.

**Personal Statement Requirement:** Please submit a paragraph statement describing why you are interested in attending Cal Maritime.

**Deadline to apply and submit official transcripts:** International students must apply by March 1<sup>st</sup> prior to the fall semester they plan to enroll. Academic records from foreign institutions must be on file by June 1<sup>st</sup> and if not in English, must be accompanied by certified English translations.
