## **CSU Maritime Academy Parking Rules and Regulations**

The following rules and regulations are effective commencing July 1, 2019:

Parking at CSU Maritime Academy is a privilege extended to students, faculty, staff, and campus guests. Operators of motor vehicles (including motorcycles and motor-driven bikes) are required to be in possession of a valid driver's license. Additionally, vehicles should be in compliance with applicable laws pertaining to vehicle registration, operation, insurance requirements, and safety equipment.

The California Vehicle Code, Vallejo Municipal Code, and the following regulations are enforceable at all times. Vehicles parked on CSUM property in violation of these regulations will be issued a parking citation, booted, and/or towed at the owner's expense. No personal boat, RV, motor home, charter bus or other type of equipment is allowed to be parked on campus.

Pursuant to state codes, all traffic and parking is subject to regulations and fees. Compliance with these regulations is MANDATORY (sections 42200 and 42201, Title V, California Code of Regulation; and Section 21113(a), California Vehicle Code).

CSU Maritime Academy Police Department is responsible for the supervision and enforcement of parking regulations. The University's parking rules and regulations are published by July 1<sup>st</sup> of each year:

Parking on state property is at the risk of the individual. Neither CSU Maritime Academy nor the State of California assumes liability for any loss or damage to any vehicle, personal property, or the owner or occupants of any motor vehicle while on campus.

### **TRAFFIC REGULATIONS**

Motor vehicle travel is restricted to the roadways and parking areas of the campus. Individuals requiring the use of sidewalks for vehicular movement shall obtain advance permission from Police Department.

It shall be unlawful for any driver of a vehicle to fail to obey any sign or signal erected or maintained by the CSU to regulate the flow of traffic.

No person shall, without lawful authority, deface, injure, attach any material or substance to, knock down, or remove any traffic control device, traffic guidepost, or traffic post erected by the CSU.

## **PARKING ENFORCEMENT**

**PARKING IS ENFORCED 24 HOURS A DAY, INCLUDING WEEKENDS AND HOLIDAYS**

Because campus parking is a limited resource, parking regulations must be adhered to at all times. Valid parking permit(s) appropriate for the parking lot and parking space must be displayed at all times. Please adhere to the specific rules on signs at the entrance of all lots and the signs within each lot to avoid being cited.

**ALL FULL OR PART-TIME EMPLOYEES, STUDENTS, VOLUNTEERS, CONTRACTORS AND VISITORS WHO PARK ON THIS CAMPUS MUST PROPERLY DISPLAY A VALID PERMIT.**

A permit does not ensure the user of a parking space. The responsibility of finding a legal parking space rests with the motor vehicle operator.

Vehicles are subject to citation when:

- Permits are expired and/or displayed in such a manner where purchase and expiration information are not clearly visible to our parking enforcement staff.
- Vehicles/motorcycles with permits are not parked in the appropriate lot or space.
- A valid permit is not displayed in a vehicle occupying a disabled parking space.
- Vehicles are in violation of any parking sign, rule, or regulation.

## **PROPER DISPLAY OF PERMIT**

Permit holders are responsible for ensuring that their permit is clearly displayed before leaving their vehicle.

- Decal Sticker Permits must be affixed to the inside lower corner of the windshield nearest the driver so that all information on the permit is clearly visible to the enforcement officer screening the vehicle for a valid permit. Non-compliance will result in a parking citation.
- Hang Tag/Placard and Hang Tag Scratcher Permits must hang from the vehicle's rear view mirror or placed on the dash nearest the driver so that all information on the permit is clearly visible to the enforcement officer screening the vehicle for a valid permit. Do not block the vehicle's VIN number or adhere the permit in a tinted area of the windshield. Non-compliance will result in a parking citation.
- Temporary Parking Permits, including daily pay station permits must be placed on the dash nearest the driver so that all information on the permit is clearly visible to the enforcement officer screening the vehicle for a valid permit. Do not block the vehicle's VIN number or adhere the permit in a tinted area of the windshield. Non-compliance will result in a parking citation.

## **CAR COVERS**

The use of a car cover on your vehicle is at your own risk and you must consider all weather conditions that might affect the placement of the cover. Your CSU Maritime Parking Permit and your license plate must be clearly visible at all times to the enforcement officer screening the vehicle for a valid permit. A car cover is allowed during Cruise in Lots E/F.

## **VALID PERMIT**

A valid permit is an unexpired vehicle permit dispersed by the University and associated with a permit number. This also includes CSU system-wide permits issued by the Chancellor's office and employee permits issued by other CSU campuses.

## **LOST, STOLEN, OR DAMAGED PERMITS**

If your permit is lost, stolen, or damaged, you must file a report with the Police Department and provide the report case number to the Cashier's Office. You must complete a Parking Permit Application form and pay a replacement fee before you are issued a replacement by the Cashier's Office. In order to receive a fee waiver for a lost or stolen permit, you must submit proof of being a recipient of full financial aid. A damaged permit fee may be waived upon approval by the Police Department.

## **FRAUDULENT USE OF A PERMIT**

No person who has been issued a decal/employee parking permit shall sell, give, lend, or otherwise allow any other person to use such permit to obtain parking privileges. No person shall use, display, or have in his/her possession any copied, counterfeit, or altered permit or use a permit belonging to another person. The duplication or alteration of any University parking decal/employee permit and the display of such decal/employee permit is prohibited. Such actions may result in criminal prosecution and disciplinary action.

### **First Year Students:**

Due to limited space and the high demand for parking on campus, first year students to CSU Maritime Academy are not allowed to purchase a parking permit. However, first year students that are approved for off-campus living by Housing and Residence Life are eligible. Housing and Residential Life sends the approval lists to the Cashier's Office, allowing these students to purchase parking permits online through their student account.

The above restriction for a first year student may be waived through the Parking Waiver Program where sufficient needs exist (medical, veteran, off campus employment). Complete the Petition located under **First-Year Students** on this web page: <https://www.csum.edu/web/police-department/parking-permits/student-parking-and-permits> . Petition forms are reviewed by a committee and approved by the Chief of Police.

### **Continuing Students Or First Year Students APPROVED To Park On Campus:**

The student semester Decal Permits may be purchased **online** through a student's account, usually a month before the start of the semester. The University Cashier's Office coordinates and facilitates the sale and distribution of student semester Decal Permits. Permits for Spring and Fall Semesters can be purchased at the same time. Permit fees are payable in lump sum only. There is no deferment for financial aid.

Eligible students may purchase a student semester Decal Permit and a Motorcycle Permit. The permit is not transferable to any other vehicle or individual. Current permit rates are posted on the "Types and Fees" web page.

A student permit does not ensure the user of a parking space. The responsibility of finding a legal parking space rests with the motor vehicle operator.

**Fee Schedule:**

The fee schedule is promulgated by the Trustees of the California State University. \$81.00 per semester – auto (Pro-rated); \$20 per semester – motorcycle (Pro-rated)

**CSU Parking Fee Refund Schedule:**

**Student Summer Parking:**

Students must properly display a valid CSU Maritime Academy Summer Semester Blue Hang Tag Scratcher Permit for autos. Hang Tag Scratcher Permits can be purchased at the Cashier’s Office. A sticker is placed on the permits for autos restricting summer parking to Lots E and F only. A student can purchase a motorcycle parking permit for the summer for \$20.00. The cost of the summer permit is less expensive than the semester permit because the permit is for a shorter time period.

**SPEL Students:**

Blue Hang Tag Scratcher permits are issued directly by SPEL. They are valid for the duration of the instruction period.

**Temporary Medical Parking Permit:**

A temporary disabled parking permit may be granted by the Police Department to a disabled student for special parking privileges. The permit is to fill a temporary gap until the injured student can acquire a State Disabled permit.

- An original dated and signed letter from Disability Services, Health Center or personal physician is required. The letter must specify the medical need for parking accommodations and the anticipated recovery date.

Two-wheeled vehicles (including mopeds, motor scooters, or any motorized bicycle) required to be licensed by the State Department of Motor Vehicles shall park in designated motorcycle parking spaces/areas in the following student and employee lots: B, D, E, and I. The cost of a motorcycle decal permit for students and employees is much lower than a permit for a car; therefore, at no time, shall a motorcycle with a decal permit park in full-size parking stall intended for use by four (4) wheeled passenger vehicles. Motorcycle decal semester permits must be adhered or taped to the bike's rear fender or front fork. Fee: \$20.00 (Pro-rated for students only). Students can park in B, D, E and overnight in I.

## **DISABLED PARKING**

Parking spaces for people with disabilities have been established throughout the Campus and are designated by a blue paint stencil and a corresponding blue sign. Such spaces are restricted to those vehicles bearing disabled license plates or a placard issued by the California Department of Motor Vehicles and a valid CSU Maritime Academy parking permit. California law allows for a person with a DMV disabled license plate or a placard to park in a 30 minute parking stall or green zone for an unlimited time, but a person shall not park at red curbs or in any other illegal parking areas.

Vehicles illegally parked in disabled spaces are subject to a citation. Medical and disabled parking are subject to enforcement 24 hours a day.

Bicycle riding, while on roadways at CSUM, is subject to the same laws as any other vehicle. (CVC sec. 21200 – 21210). The speed limit for bicycles, when in close proximity to pedestrians, is 5 MPH. Bicycles must be parked in bicycle racks provided throughout the campus. Bicycles will not be parked inside buildings, classrooms, on stairways or any place where they may impede pedestrian traffic or create a hazard, i.e. parked across a sidewalk or secured to lamp posts, trees, etc. Bicycles used in the line of duty by the Police Department personnel are exempt from the bicycle regulations. Bicycles found left unused or impounded and unclaimed for a period of six months, may be disposed of or sold through auction by CSU Maritime Academy.

### **Bicycle Registration and Safety Program**

---

Your safety and the security of your property is a primary concern of Cal Maritime Police Department. Bicycle theft in recent years has increased significantly. We encourage you to participate in this voluntary free bicycle registration program.

To register fill out this form and return it to the Police Department:

#### **Bicycle Registration Form**

- Licensing your bicycle increases the likelihood of recovery in case of theft.
- If you forget your combination, lose your key, or your bike lock malfunctions, Police Department can remove your bike lock free of charge pending verification of ownership.
- Do not leave your bicycle unattended, parked or locked in an unauthorized area. Utilize Cal Maritime Academy authorized bicycle racks only.
- Do not leave your bicycle on campus during semester breaks or your bicycle will be considered abandoned.

## **Riding Rules**

- Bicyclist Rights (CVC 21200): Bicyclists have all the rights and responsibilities of vehicle drivers.
- Alcohol and Drugs (CVC 21200.5): It is against the law to ride a bicycle while under the influence of alcohol or drugs.
- Head Phones (CVC 27400): Bicyclists may not wear earplugs in both ears and a headset covering both ears, except hearing aids.

## **Riding Safely**

- Always ride with traffic.
- Signal your turns and moves.
- If there is a bike lane, use it.
- Ride defensively.
- Wear a bicycle helmet.
- Stay alert at all times/use your eyes and ears.
- Watch for and avoid road hazards. Be visible. A headlight for night riding use is required by law. A red rear reflector, two side reflectors on each wheel and reflector pedals should be used. Light colored, reflective clothing is also a good idea.

## **Bicycle Rack Locations**

- Lot C near Pier
- Front of Laboratory Building
- Behind Administration Building
- Front of Library Annex
- Front of Student Services
- Front of Dining Center
- Northwest corner of Upper Residence Hall
- East side of McAllister Residence Hall
- Front of PE/Aquatic Center

## **Theft Prevention**

Proper locking is the first defense against bicycle theft.

- Secure rear wheel with small, hardened steel U-lock inside the rear triangle.
- Make sure u-lock is secured to an immovable object.
- Secondary metal lock (cable or another U-lock) placed on front wheel.
- Replace quick release skewers with keyed locking skewers to ensure wheels and saddles are locked to frame.

This is only one of many locking methods. None are 100% guaranteed.

## **RECIPROCITY WITH CSU CAMPUSES**

Currently employed CSU faculty and staff on official business at CSU Maritime Academy and VIPs within the CSU system with CSU system-wide passes that are issued by the Chancellor's office may park in any lot, excluding restricted spaces, if they display a valid, current term CSU faculty/staff permit.

## **AUTHORIZED EMERGENCY VEHICLES AND EXEMPT PLATES**

For more information about parking at CSU Maritime Academy, please visit our parking web page at <https://www.csum.edu/web/police-department/home> . For further parking questions, call the Cal Maritime Police Department Administration at 707-654-1179 during normal business hours. Officers are not required to take pictures of the violation.

### **Payments:**

The Police Department does not process payments. Please contact Parking Management Bureau (PMB) in order to pay a citation fee or appeal a ticket: [www.pmbonline.org](http://www.pmbonline.org) **Address: PMB, One University Circle, Turlock, CA 95382.** If mailing a payment, note your ticket number and license plate on the check.

An individual who receives a parking citation must pay within 21 days of the date of issuance to avoid delinquent payment fees and loss of the option to dispute the citation. If the Notice of Parking Violation is not dealt with within 21 days, the registered owner of the vehicle will receive a "Notice of Illegal Parking and Intention to Notify Department of Motor Vehicles". Failure to comply with provisions of the notification within 21 days may result in refusal by the Department of Motor Vehicles to renew the registration on the vehicle. Class registration, graduation and transcript holds may be placed for outstanding citations.

### **Disputing a Citation:**

Disputing a citation must be done online: [www.pmbonline.org](http://www.pmbonline.org)

The violators are entitled to participate in a 3-stage dispute process, Per CVC 40200. If the statutory time limits for the filing in each stage are not met, the opportunity to appeal is revoked and all parking penalties and late fees must be paid. If the violator has already paid the fine he or she has waived the right to dispute.

**First Level Appeal:**

To contest a citation, go online to Parking Management Bureau's (PMB) website: [www.pmbonline.org](http://www.pmbonline.org) and complete a Review Request Form. The Chief of Police or designee shall review the objection. The dispute will be reviewed within 21 days of receipt of the online form. The findings will be emailed to you within 21 days. The contestant is not held liable for the citation until a response to the appeal is received by email.

If you do not receive a response within 21 days, contact PMB at 800-700-4417. If your ticket is found "Valid" as a result of your appeal, you will have 21 days to pay the full amount due to avoid delinquent fines.

**Second Level Appeal:**

To contest the findings of the first level of the dispute, go online to Parking Management Bureau's (PMB) web site: [www.pmbonline.org](http://www.pmbonline.org) within 21 days from receiving the determination of your first level dispute.

Print and mail the Second Level Dispute Form to PMB with applicable evidence and a check in the amount of the fine for each ticket being disputed. This is a **required deposit by law** that will be held until a determination is reached. If dismissed, the deposit will be returned to you.

If you are unable to send the required deposit, a **Financial Hardship** Waiver must be submitted in place of the deposit along with the required supporting documents. It will be approved or denied by the hearing examiner. If denied, a deposit will be due immediately. The Police Department will contact you to schedule a hearing with the CSU Maritime Academy Hearing Examiner within 90 days if you request an "in person" hearing. If more than 90 days have passed, contact PMB 1-800-700-4417. Check the status of your request by searching for your ticket at the PMB website: [www.pmbonline.org](http://www.pmbonline.org). If the status reads "Administrative Hearing/Court" the hearing is in the process of being scheduled by the campus pending determination.

**Third Level:**

If you wish to pursue this matter further, you are responsible for filing a dispute with the court in the county where your parking ticket was issued. You must also notify PMB by mail within 30 days of the hearing examiner's decision if you choose this option. The court requires a \$25 processing fee.

**COLLECTIONS AGENCY PROCESSING**

PMB has partnered with Williams & Fudge, Accounts Receivable Management. Unpaid parking citations that are over one year old are automatically sent to this collections agency. You will need to contact them directly to set up a payment plan:
