

Group Tutoring Sign-Up Form

Group tutoring is an opportunity for small groups of students to receive private free tutoring in specific courses. If you are interested in creating a group and getting help from a tutor, fill this form out and submit it at the Tutoring Center.

To qualify for group tutoring, you must have a **minimum of three** people who need to be tutored in the same subject at the same time. Ideal group size is five people. Groups of fewer than three students on any given day (i.e., group of three where one person is out sick) will NOT be served.

In the space below, list at least three members in your tutoring group.
