been paid in full.

- 1 Your first payment will be due on the due date indicated. This payment includes 25% of the allowable fees and a \$50.00 non-refundable administrative service charge
- 2 If you have registered late or added additional courses, you may owe the equivalent of multiple payments to avoid enrollment cancellation. Students are responsible for reviewing their account on Online Services to verify the amount due for the next installment payment.
- 3 Late installment payments will incur a fee of \$25.00 each month you are late.
- 4 Missed payments or rejected payments will result in ineligibility for future Installment Payment Plans, and cause you to be subject to enrollment cancellation, forfeiture of fees already paid and a hold placed on your student account. If you are dropped from your classes, you may not be able to re-enroll due to wait lists.
- 5 If you re-enroll in the same term you may be charged a \$100 late registration fee.
- 6 Failure to pay may result in additional collection costs, including those associated with referral to a thirdparty collection agency.
