The Federal Direct Parent Loan for Students (PLUS) is a non-need based educational loan program for parents and step-parents of dependent, undergraduate students. Funding for PLUS loans comes directly from the U.S. Department of Education and have a 6.84% fixed interest rate. These loans are not subsidized by the Federal Government therefore accrue interest at the date of the first disbursement. Repayment begins 60 days after the full amount that you’ve borrowed for the academic year has been disbursed. You may request a deferment of payment until 6 months after your student has stopped enrolling at least half-time. You have 10 years to repay the loan. The student is required to complete a Free Application for Federal Student Aid (FAFSA) in order to apply for the Direct PLUS loan.

APPLICATION PROCESS

- Complete and submit the Federal Direct Parent Loan (PLUS) request form. We will transmit your request to the U.S. Department of Education.

- If the Loan Amount Requested is left blank we will process the loan for the maximum amount for which the student is eligible.

- If the parent-borrower is an eligible non-citizen, they must submit a clear copy of both sides of his/her eligible non-citizen documents to the Financial Aid Office along with the 2015-2016 Federal Direct PLUS Loan Information & Request Form.

- If this is the first time the parent has applied for a PLUS loan, we will notify the student via their Cal Maritime email address that the parent must complete an electronic Master Promissory Note (MPN) online at https://studentloans.gov.

- After final approval, the Department of Education will transmit the PLUS funds electronically to the school. PLUS funds are applied towards any outstanding charges on student’s account. Leftover funds in excess of charges will be mailed to the parent-borrower. Funds begin disbursing prior to the start of each semester and weekly thereafter.

- In the case of a PLUS loan denial, the Direct Loan Servicing Center will notify the parent borrower and explain why the credit history was denied. The Direct Loan Servicing center will also provide the name and address of the credit bureau that supplied the credit data. The parent-borrower has the following options:
  - Appeal the decision with the Direct Loan Servicing Center (1-800-848-0979)
  - Reapply for the loan with a co-signer
  - Student may contact the Financial Aid Department for additional student options.

**Loan Limits**
Parents can borrow up to the cost of attendance, as determined by the Financial Aid Department for the enrolled period, minus any other aid received by the student.
Enrollment Status and Unit Requirements
Students must enroll in at least 6 units. The Direct PLUS Loan disbursement cannot be made until a total of 6 units of courses have begun for the Summer. For example, if a student enrolls in 3 units for the 8 week 1 session and another 3 units for the second 8 week 2 session, financial aid will not be disbursed until the second 8 week 2 session has begun. Any undisbursed loan funds are cancelled if the student drops below half-time enrollment at any time during the loan period.

Refund Policy
If the student withdraws after loan funds are disbursed, the law requires that any institutional refund to the student be forwarded to the Federal Direct Loan Servicer (to be credited toward the loan principal).
