Southland Industries	<a href="https://southlandind.com/">https://southlandind.com/</a>	Mechanical Engineering;	As an MEP building systems expert, we provide integrated, full lifecycle solutions that optimize the design, construction, operation, and efficiency of buildings. We partner with our clients and leverage the collective expertise of our people to create better built environments. By thinking big to account for the whole picture, our engineering, construction, service, and energy solutions deliver results that will work for you, your building, and your business or community. Our desire is to build a workforce as diverse as the people who occupy the buildings we design, build, and maintain. Our success is driven by our people — the collaboration of diverse thinking and experiences, a passion for improving the built environment.
SUNY Maritime College	<a href="https://www.sunymaritime.edu">https://www.sunymaritime.edu</a>	All Majors;	<p>Our campus is located in New York City, one of the most exciting cities for the entertainment, the financial district, greatest global marketing center of the world and most importantly essential hub for the maritime industry. Payscale.com rates SUNY Maritime College as one of the best colleges for return on investment. SUNY Maritime College boasts one of the lowest tuitions of any college while yielding one of the highest mean salaries of graduates among all colleges and universities.</p> <p>The Master of Science in Shipping &amp; Logistics is a logistics, supply-chain, and inter-modal program. The Shipping &amp; Logistics degree is a 34-credit program that prepares students for advanced positions within the maritime industry, as well as in logistics and supply chain management positions. The program may be completed online, on campus or a blend of the two formats, to make it fit with a variety of schedules and learning preferences. Students may choose to earn additional certificates in charter parties or supply chain management, as well as a U.S. Coast Guard third mate's unlimited license.</p>

			<p>Since 1938, leading global shipping companies have turned to Transmarine to meticulously manage their port arrivals, departures, and in-port operations with white-glove service at all major ports of call along the U.S. Gulf Coast, West Coast, and Hawaii.</p> <p>Our shipping agency services put veteran vessel management talent on board our clients' ships, where they're backed by our experienced operations managers, documentation specialists, accounting specialists, and executive team. Together, we care for fleet, cargo, and crew while ensuring the efficiency of port operations.</p> <p>The safety, seaworthiness, and success of our clients' fleets are personal to us, so we participate actively in local harbor safety committees. We're also the longest active U.S. member of BIMCO, certified by ASBA, and have been awarded the FONASBA Quality Standard.</p>
Transmarine Navigation	<a href="https://www.transmarine.com/">https://www.transmarine.com/</a>	International Business & Logistics;International Strategy & Security;Marine Transportation;	From clearances and disbursements to terminal operations, port services, and resupply, we do whatever it takes to keep the fleet safe, shipshape, and on schedule.
Transocean	<a href="http://www.deepwater.com">www.deepwater.com</a>	Marine Transportation;Mechanical Engineering;	Our mission is to be the premier offshore drilling company by providing worldwide, rig-based well construction services to our customers through the integration of motivated people, quality equipment, and innovative technology, with a particular focus on technically demanding environments.
Trident Seafoods	<a href="http://www.tridentseafoods.com">www.tridentseafoods.com</a>	Marine Transportation;Marine Engineering Technology;	<p>Trident Seafoods is the largest vertically integrated seafood harvesting and processing company in North America. Trident is a privately held, 100 percent USA-owned company with primary seafood processing operations and fleet support in twelve Alaska communities. Trident's global operations produce finished wild Alaska seafood products in 6 countries and its sales teams serve customers in over 50 countries. Trident employs approximately 9,000 people worldwide each year and partners with over 5,400 independent fishermen and crewmembers. Species harvested and processed by Trident include virtually every commercial species of salmon, whitefish, and crab harvested in the North Pacific and Alaska. The global supply chain also includes cultured and wild species from a network of trusted sources worldwide.</p>

Vistra Moss Landing	<a href="https://vistracorp.com/">https://vistracorp.com/</a>	All Majors;	<p>Lighting up people's lives, powering a better way forward. It's more than just a slogan at Vistra. It's our purpose. As one of the country's leading integrated retail electricity and power generation companies, Vistra's success is built on four core principles: We do business the right way, we work as a team, we compete to win, and we care about our key stakeholders. These principles guide every decision at Vistra and have built a culture where every team member can succeed.</p> <p>Vistra's generation fleet includes a diverse portfolio of natural gas, nuclear, coal, solar, and battery energy storage systems. We power 39,000 MW across 12 states, with a focus on sustainability and an eye toward the future. Vistra is leading the clean energy transition with the world's largest battery, new solar facilities, and another 7,300 MW of zero-carbon electricity in the pipeline.</p> <p>As a company, Vistra celebrates what makes you unique. We embrace diversity, equity, and inclusion. We're invested in the communities we serve and take our roles as corporate citizens seriously. If you're guided by these same principles, we hope you'll consider joining us to power a better way forward.</p>
Washington State Department of Transportation - Washington State Ferrie	<a href="https://wsdot.wa.gov/">https://wsdot.wa.gov/</a>	Marine Transportation;	<p>Washington State Department of Transportation (WSDOT) is a multimodal organization with a global reputation for excellence! Our dedicated workforce is responsible to plan, design, build, and operate an integrated transportation system that safely and efficiently moves people and goods throughout the state. In addition to maintaining over 18,000 lane miles of state highway and 4,100 bridges, WSDOT manages the world's longest floating bridge, executes an award-winning Active Transportation Plan, holds a record for the world's widest tunneling project, and operates the largest ferry system in the nation!</p> <p>The Washington State Ferry (WSF) system is essential to Washington's transportation network, linking communities on both sides of Puget Sound and the San Juan Islands. There are over 400 sailings each day on 10 ferry routes. WSF transports nearly 17 million passengers a year and has more than 1,800 employees. Employees perform a variety of duties on vessels, in terminals, at the maintenance facility, and at the Seattle headquarters.</p>
Wilhelmsen	<a href="http://WWW.Wilhelmsen.com">WWW.Wilhelmsen.com</a>	All Majors;	<p>Founded in Norway in 1861, Wilhelmsen is now a comprehensive global maritime group providing essential products and services to the merchant fleet, along with supplying crew and technical management to the largest and most complex vessels ever to sail.
