2022-23 Financial Aid

To be eligible for financial aid – grants, scholarships, and loans – at Cal Maritime, you need to complete **annually** the Free Application for Federal Student Aid (FAFSA). Even if you are receiving aid in the current academic year, you will need to complete a new FAFSA every year. The 2022-23 FAFSA application will be based on 2020 tax year information. For more information and to start your application now, visit the [FAFSA website](#). Do not wait until the March 2 deadline, because you will miss institutional aid opportunities!

Annual Flu Vaccinations

Health Services started its Annual Flu Vaccinations for cadets on October 1 and they will continue to be available, free of charge, as long as the supply lasts. Appointments are available 0830-1630 every weekday and can be made by calling 707-654-1170. Public health officials are already sharing the challenges that will be presented this fall with both COVID and flu impacting healthcare systems. Talk to your medical provider about vaccination and, if it's the right option for you, take advantage of this opportunity to protect the health and safety of our community!

Campus Welcomes Confidential Advocate

Cal Maritime has a new staff member dedicated to supporting those who have experienced, in the past or present, domestic violence, sexual assault/harassment, or sex trafficking. Jess Lucia is available for in-person meetings Mondays (0930-1800) in the Career Center Conference Room (walk-in basis, no check-in or registration required) and Thursdays (0930-1800) in the URH Counseling Office on the 1st floor. In addition to individual support services, connect with her to arrange presentations with cadet groups for trauma-informed conversations about topics such as domestic violence, sexual assault & consent, healthy vs. unhealthy relationships, and bystander intervention. Jess can be reached by email (WEAVE@csum.edu) or phone (707-724-9606).

Request Tutoring Appointments

In lieu of drop-in center hours, cadets may now schedule one-hour, in-person or online appointments with tutors at mutually convenient times and on-campus locations. It's as easy as: 1) Download the [Passport Navigate](#) mobile app, 2) select "Appointments," 3) choose your preferred subject, date, and time, and 4) select "Confirm Appointment." You now have an additional level of academic support to help you succeed!
