Land Blessing and Acknowledgment

Monday, November 1 – 1730 – Library Waterfront Lawn

You are invited to the Land Blessing and Acknowledgement of Cal Maritime, a special event being 'gifted' to us by our local Native American partners, spearheaded by Mary Ann Buggs, a Caddo tribal member, in collaboration with the 7 Generations Intertribal Council. Our campus partnership began in January 2021 with a goal to recognize, acknowledge and include those connected to this land and community, the ancestral home of the Karkin Ohlone people. This collaboration is intended to be long-term, mutually beneficial, and educational, with this event as the beginning step.

For more information and to start your application now, visit the [FAFSA website](#). Do not wait until the March 2 deadline, because you will miss institutional aid opportunities!
