

2022-23 Financial Aid

To be eligible for financial aid – grants, scholarships, and loans – at Cal Maritime, you need to complete **annually** the Free Application for Federal Student Aid (FAFSA). Even if you are receiving aid in the current academic year, you will need to complete a new FAFSA every year. The 2022-23 FAFSA application will be based on 2020 tax year information. For more information and to start your application now, visit the [FAFSA website](#). Do not wait until the March 2 deadline, because you will miss institutional aid opportunities!
