

Glen Cove Waterfront Park Work Day

Join us to work with the Vallejo Watershed Alliance, the Solano Resource Conservation District, GVRD, and the Yocha Dehe Wintun Nation to continue work on the new habitat enhancement project at the Glen Cove Waterfront Park.

The activities will include planting, plus a beach and park cleanup.
We hope you'll join us!

Wear sturdy clothes and closed-toe shoes, a hat, sunscreen, and gloves.
Water, refreshments, and tools will be provided.

**If you have allergies, please be aware that we will be working with plants, dust, and other potential allergens
